

Sixth Bavarian Infection Protection Measures Ordinance
(6th BayIfSMV)
of 19 June 2020
(BayMBI. No. 348)
BayRS 2126-1-10-G

Full quote in accordance with the editorial guidelines (RedR): Sixth Bavarian Infection Protection Measures Ordinance (6th BayIfSMV) of 19 June 2020 (BayMBI. No. 348, BayRS 2126-1-10-G), which was last amended by § 1 of the Ordinance of 24 June 2020 (BayMBI. No. 362).

In accordance with § 32 Sent. 1 IfSG (German Infection Protection Act) of 20 July 2000 (*Federal Law Gazette I* p. 1045), last amended by Articles 1 and 2 of the Act of 19 May 2020 (*Federal Law Gazette I* p. 1018), in conjunction with § 9 No. 5 of the Ordinance on Responsibility to Issue Decrees (DeIV) of 28 January 2014 (*Law and Ordinance Gazette* p. 22, BayRS 103- 2-V), which was last amended by the Ordinance of 13 January 2020 (*Law and Ordinance Gazette* p. 11), the Bavarian State Ministry of Health and Care orders:

Part 1 General regulations

§ 1 General rule of social distancing, mouth and nose cover

(1) ¹Everyone is urged to reduce physical contact with persons to a minimum and to keep the group of persons as constant as possible. ²Wherever possible, a minimum distance of 1.5 m must be maintained between two persons. ³It is necessary to ensure sufficient ventilation in enclosed areas at all times.

(2) Insofar as this Ordinance imposes the obligation to wear a mouth and nose cover (mask obligation), the following applies:

1. Children are exempt from the obligation to wear a mask until their sixth birthday.
2. Those persons who can credibly demonstrate that it is not possible or that it is unreasonable for them to wear a mouth and nose cover due to a disability or for health reasons are exempt from the obligation to wear one.
3. Removal of the mouth and nose cover is permitted as long as it is necessary for identification purposes or for communicating with persons with impaired hearing or for other compelling reasons.

§ 2 Contact restriction in public areas

(1) Meeting in public space is only permitted

1. with members of the same household, spouses, life partners, partners of a non-marital domestic partnership, directly related relatives, siblings and members of one other household, or
2. in groups of up to 10 people.

(2) Parties and barbecues in public places and grounds are prohibited, regardless of who is present.

(3) Sub-paragraph 1 does not apply to professional and official activities or volunteer work in corporations and institutions under public law requiring several persons to meet or work together.

§ 3 Contact restrictions in privately used areas

The group of participants at a meeting in privately used rooms and on privately used land is limited, with consideration given to § 1 sub-para. 1.

§ 4 Specific visit prohibitions

(1) Visits to the following are banned:

1. hospitals and preventive care/rehabilitation facilities where medical care comparable to that provided in hospitals is provided (facilities as defined in § 23 sub-para. 3 nos. 1 and 3 of the German Protection Against Infection Law – IfSG); this does not include maternity and children’s wards for close relatives and palliative wards and hospices,
2. inpatient nursing care facilities as defined in § 71 sub-para. 2 of the Eleventh Book of the German Social Code,
3. facilities for persons with disabilities as defined in § 2 sub-para. 1 of the Ninth Book of the German Social Code (SGB IX) where integration assistance services are provided by day and night,
4. sheltered housing groups as defined in Article 2 para. 3 of the German Act on the Quality of Care and Living for the Purpose of Outpatient Intensive Care (IntensivpflegeWGs) where outpatient care services provide services as defined in § 23 sub-para. 6a IfSG,
5. retirement homes and nursing homes.

(2) ¹Notwithstanding sub-paragraph 1, once a day, every patient or resident may be visited by a person who is a family member as specified in § 2 sub-para. 1 no. 1, in the case of minors also by the parents or guardians together, or by one further, defined person during a defined visiting period; all visitors must be registered with the facility by name. ²Further exceptions from sub-paragraph 1 are permitted for medical, legal or spiritual welfare purposes or the provision of other services; they must be approved in advance by the facility management. ³Visitors are required to wear masks and must, if possible, consistently maintain a minimum distance of 1.5 m. ⁴The facility must draw up a protection and hygiene concept and submit it to the responsible local authority upon request. ⁵The responsible local authority may issue supplementary orders in specific cases where this is necessary from an infection control perspective.

(3) The accompaniment of a dying person is permitted at any time.

Part 2 Public life

§ 5 Ban on events, assemblies and crowds

(1) ¹Subject to more specific provisions within this Ordinance and subject to the reservations under sub-para. 2, events, assemblies, if it does not involve assemblies in accordance with § 7, crowds, as well as public festivities, are prohibited throughout the state. ²Upon application, special permits may be granted by the responsible local authority, provided that each case is acceptable from an infection control perspective.

(2) ¹Events which are usually not offered to an arbitrary audience or which, due to their personal character, are only attended by a foreseeable group of participants (especially weddings, funerals, birthdays, school graduation ceremonies and club and party meetings) are possible with up to 50 participants in enclosed rooms or up to 100 participants in the open -air if the event organiser has drawn up a protection and hygiene concept and can submit it to the responsible local authority at its request. ²More specific provisions under this Regulation are not affected. ³Notwithstanding sentence 1, § 13 applies if the event takes place in a gastronomic facility.

§ 6 Church services, meetings of religious communities

¹Church services which are open to the public in churches, synagogues and mosques, as well as meetings of other religious communities, are permitted under the following conditions:

1. In the case of church services and gatherings
 - a) in buildings, the maximum number of participants allowed is determined by the number of available seats with a minimum distance of 1.5 m to other seats; the participants must always keep a minimum distance of 1.5 m from each other, if they do not belong to the group of persons indicated in § 2 sub-para. 1 no. 1.
 - b) outdoors, the maximum number of participants is 200, and persons who do not belong to the group of persons indicated in § 2 sub-para. 1 no. 1 must fundamentally keep a minimum distance of 1.5 m from each other.
2. There is an infection protection concept for church services or gatherings that minimises the possible risks of infection according to the religious community and rite; the infection protection concept must be submitted to the responsible local authority upon request.
3. Visitors must wear masks as long as they are not in their seats.

² § 5 sub-para. 1 sent. 2 applies accordingly.

§ 7 Assemblies within the meaning of the Bavarian Assembly Act

¹In the case of outdoor public assemblies within the meaning of the Bavarian Assembly Act (BayVersG), all participants must be granted a minimum distance of 1.5 m and any body contact with other assembly participants or third parties must be avoided. ²The responsible authorities in accordance with Art. 24 para. 2 BayVersG must ensure, insofar as this is necessary in individual cases, by means of appropriate restrictions in accordance with Art. 15 BayVersG, that

1. the provisions under sentence 1 are complied with and
2. the risks of infection arising from the assembly are also limited to a level that is acceptable in terms of infection protection legislation.

³The requirement in accordance with sentence 2 no. 2 is as a rule fulfilled if the number of participants at the assembly is limited to at most 100 persons and the assembly takes place at a fixed location. ⁴If the requirements under sentence 2 cannot be ensured even by restrictions, the assembly must be prohibited.

§ 8 Public transport, school transport, travel buses

¹Passengers, ticket inspectors and service personnel who come into contact with passengers must wear masks when using local or long-distance public transport and related facilities. ²Sentence 1 applies accordingly to free school transport. ³Sentence 1 and § 11 sub-para. 3 no. 3 apply to travel buses for tourists under the condition that a protection and hygiene concept is drawn up on the basis of a framework concept announced by the State Ministry for Economic Affairs, Regional Development and Energy, the State Ministry of Living, Construction and Transport and the State Ministry of Health and Care and submitted to the responsible local authority upon request.

Part 3 Sports, games, leisure

§ 9 Sports

(1) The operation and use of sports halls, sports grounds, fitness studios and other sports facilities, as well as dance schools, is prohibited, subject to the following sub-paragraphs.

(2) Training is allowed in the open-air in public places or public or private open-air sports facilities, under the following conditions:

1. no physical contact,
2. the use of changing cubicles in enclosed rooms is only permitted if a protection and hygiene concept within the meaning of sub-paragraph 5 sentence 2 is in place,
3. consistent adherence to hygiene and disinfection measures, especially when sports equipment is shared,
4. the use of shower areas in enclosed rooms is only permitted if a protection and hygiene concept within the meaning of sub-paragraph 5 sentence 2 is in place; the opening of special toilet facilities is possible, however,
5. avoidance of queues to enter or leave facilities,
6. masks are mandatory in enclosed spaces, especially when passing through entrance areas, when removing and putting back sports equipment and when using changing rooms and toilet facilities,
7. no particular risk to vulnerable persons, and
8. no spectators.

(3) Operation for the purpose of training professional athletes and competitive athletes of federal and state cadres is permitted, provided that during the training sessions, the conditions of sub-paragraph 2 nos. 3 to 8 are complied with.

(4) Playing and training in professional leagues and for the DFB Cup is permitted if

1. the presence of spectators is ruled out, and only those persons who are necessary for the holding of the game or media coverage are allowed to enter the sports facility,
2. the organiser takes appropriate measures to ensure that no event or unauthorised assembly takes place in the immediate vicinity of the sports facility and that no other crowd of persons who are not permitted to enter in accordance with no. 1 is formed,
3. the protection and hygiene concept of the organiser to minimise the risk of infection has been submitted to the State Ministry of the Interior, for Sport and Integration and the Ministry for Health and Care, and is observed.

(5) ¹Competitions in the open-air in public places or public or private outdoor sports facilities are allowed if the conditions of sub-paragraph 2 nos. 1 to 8 are complied with. ²The operator must draw up a dedicated protection and hygiene concept for each location and competition on the basis of a framework concept announced by the State Ministry of the Interior, for Sport and Integration and the Ministry for Health and Care and submit it to the responsible local authority upon request.

(6) ¹Training in enclosed rooms of sports facilities and fitness studios is permitted subject to the conditions of sub-paragraph 5. ²Sufficient ventilation with air from outdoors must be maintained. ³Before and after training sessions, especially upon entering and leaving the sports facility and when using toilet facilities, masks must be worn in enclosed rooms.

(7) Sub-paragraph 6 applies to competitive dancing under the condition that the requirements of sub-paragraph 2 no. 1 can be waived in the case of two regular dance partners, as long as sub-paragraph 2 no. 1 is observed among the various dance couples.

(8) Insofar as necessary, compliance with the requirements of sub-paragraph 2 and sub-paragraph 6 sentence 1 can be waived for medically prescribed rehabilitation sport and functional training as

defined in § 64(1) nos. 3 and 4 of Book IX of the German Social Code (SGB IX).

(9) ¹The operation of the training facility is permitted in compliance with the requirements of subparagraphs 2 and 6. ²§ 16 sub-para. 2 sent. 2 and 3 applies accordingly to the teaching of theory.

§ 10 Playgrounds

(1) ¹Open-air playgrounds are only open for children accompanied by an adult. ²The adults accompanying them must prevent any crowding and ensure sufficient spacing of the children wherever possible.

(2) The police and local safety authorities must close any overcrowded playgrounds temporarily, in whole or in part.

§ 11 Leisure facilities

(1) ¹The operation of amusement parks and comparable local leisure facilities is permitted only in outdoor areas and under the following conditions:

1. The operator must ensure by means of suitable measures that a minimum distance of 1.5 m can always be maintained between visitors in the entire area of operation.
2. No more than one visitor may be admitted per 10 m² of accessible space.
3. The operator must draw up a protection and hygiene concept on the basis of a framework concept announced by the State Ministry for Economic Affairs, Regional Development and Energy and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request.

²For gastronomic offers as well as for theatre performances, film projection and similar events, the respective specific regulations of this Ordinance are applicable.

(2) Guided city tours and tours for guests are permitted as well as mountain, cultural and nature tours and tours in show caves and visitor mines if the party responsible ensures by means of suitable measures that the minimum distance of 1.5 m between the participants can always be maintained.

(3) The operation of cable cars, boats on rivers and lakes for excursion purposes and tourist rail transport is permitted under the following conditions:

1. The operator must ensure by means of suitable measures that a minimum distance of 1.5 m can always be maintained between passengers or that appropriate separating partitions are present,
2. In enclosed rooms, vehicle areas and driver's cabins, masks must be worn by passengers and ticket inspectors and service personnel who come into contact with passengers.
3. The operator must draw up a protection and hygiene concept on the basis of a framework concept announced by the State Ministry for Economic Affairs, Regional Development and Energy and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request.

(4) ¹Pool facilities, hotel pools, spas and wellness centres as well as saunas can be opened in compliance with the requirements under § 9 sub-para. 2 nos. 1 to 8. ²The operator must draw up a protection and hygiene concept on the basis of a framework concept announced by the State Ministry for Economic Affairs, Regional Development and Energy and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request. ³The operator must also take suitable measures to ensure that the number of

visitors present at the same time does not exceed one person per 10 m² of the area accessible to the patrons, including the pool.

(5) Brothels, clubs, discotheques, other places of amusement and comparable leisure facilities are closed.

Part 4 Business life

§ 12 Retail and service businesses

(1) ¹The following applies to wholesale and retail businesses where customers shop:

1. The operator must ensure by means of suitable measures that a minimum distance of 1.5 m can always be maintained between customers.
2. The operator must take suitable measures to ensure that the number of customers present in the shop at the same time does not exceed one customer per 10 m² of the sales floor.
3. Masks must be worn by staff, customers and persons accompanying them; if reliable protection against infection is ensured by transparent or otherwise suitable protective walls in the cash desk and counter areas of shops, the obligation to wear masks is not applicable for staff.
4. The operator must draw up a protection and hygiene concept and submit it to the responsible local authority upon request.

²The following applies to shopping centres:

1. Sentence 1 applies to the individual shops.
2. In regard to the connecting customer passageways, sentence 1 applies accordingly under the condition that the protection and hygiene concept takes the entire customer flow of the shopping centre into account.

³Sentence 1 nos. 3 and 4 apply accordingly to vendor stalls at markets.

(2) Sub-paragraph 1 sent. 1 nos. 1, 3 and 4 apply accordingly to service providers where customers shop under the condition that the mask requirement does not apply if the nature of the service does not permit it.

(3) ¹In doctors' and dentists' practices and other practices where medical, therapeutic and care services are rendered, sub-para. 1 sent. 1 nos. 1 and 3 apply accordingly under the condition that the mask requirement does not apply if the nature of the service does not permit it. ²Any further obligations to wear a medical mouth and nose mask remain unaffected.

§ 13 Gastronomy

(1) Gastronomic operations of any kind are prohibited, subject to the following sub-paragraphs.

(2) The dispensing and delivery of take-away food and drinks are permitted.

(3) ¹The operation of company and school canteens that are not open to the public is permitted if it is ensured that a minimum distance of 1.5 m is maintained between the guests. ²The operator must draw up a protection and hygiene concept and submit it to the responsible local authority upon request.

(4) ¹The dispensing of food and drinks for consumption on the spot outdoors, in particular, in pub gardens or beer gardens and on open bar areas, is permitted, if it is ensured that either a minimum distance of 1.5 m is maintained between all guests who, in relation to each other, do not belong to the group of persons specified in § 2 sub-para. 1 or that suitable separating partitions are present.

²Personnel in the service area or in areas where a minimum distance of 1.5 m cannot be maintained must wear masks, as must guests when they are not in their seats. ³The operator must draw up a

protection and hygiene concept on the basis of a framework concept for the catering sector announced by the State Ministry of Economic Affairs, Regional Development and Energy and the State Ministry of Health and Care and submit it to the responsible local authority upon request.

(5) ¹The operation of restaurants and cafés as defined in § 1 sub-para. 1 no. 2 of the German Licensing Act [*Gaststättengesetz*] is permitted where consumption does not take place outdoors, if it is ensured that either a minimum distance of 1.5 m is maintained between all guests who do not belong to the group of persons specified in § 2 sub-para. 1 or that suitable separating partitions are present. ²sub-para. 4 sent. 2 and 3 apply accordingly.

(6) § 21 sub-para. 2 sent. 1 nos. 1, 4 and 5 and sub-para. 2 sent. 2 apply accordingly to cultural events in the context of catering establishments.

§ 14 Accommodation

(1) ¹The operation of hotels, lodgings, school hostels, youth hostels, camping sites and the provision of other accommodation of any kind is only permitted under the following conditions:

1. The operator must ensure by means of suitable measures that a minimum distance of 1.5 m is maintained between guests who do not belong to the group of persons specified in § 2 sub-para. 1, and between guests and staff.
2. Guests who, in relation to each other, do not belong to the group of persons specified in § 2 sub-para. 1, may not lodge together in the same room or accommodation unit.
3. Personnel in the service area or in areas where a minimum distance of 1.5 m cannot be maintained, as well as guests if they are not at the table of the restaurant area or in their accommodation unit, must wear masks; § 12 sub-para. 1 sent. 1 no. 3 sub-sentence 2 applies accordingly.
4. The operator must draw up a protection and hygiene concept on the basis of a framework concept for accommodation facilities announced by the State Ministry for Economic Affairs, Regional Development and Energy and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request.

²For gastronomic offers as well as for sports and leisure offers, the respective specific regulations of this Ordinance are applicable.

(2) ¹Organisations according to sub-para. 1 sent. 1 may not receive guests who arrive from a district or an independent city of another country of the Federal Republic of Germany or have their residence there, in which over the last seven days before the planned arrival the number of new infections with the coronavirus SARS-CoV-2 is higher than 50 per 100,000 inhabitants as reported by the Robert Koch Institute (RKI). ²Excluded are guests who have a medical certificate in German or English, which confirms that there are no indications of the existence of an infection with the coronavirus SARS-CoV-2, and present this immediately to the competent local administrative authority upon request. ³The medical certificate must refer to molecular biological testing carried out in a Member State of the European Union or another country, which the RKI has included in a list of countries with a sufficient standard of quality for this purpose, and which was carried out no more than 48 hours prior to arrival. ⁴The prohibition of accommodation in accordance with sentence 1 also does not apply to guests who

1. are absolutely necessary and cannot be postponed due to professional or medical reasons, or
2. have another valid reason for travelling, such as in particular a visit to family members in accordance with § 2 sub-para. 1 no. 1, a partner or cohabiting partner in a non-marital partnership, the exercise of a right of care or access, or assistance or care for persons in need of protection.

⁵In all other respects, the competent local administrative authority may allow further exceptions on

application in justified individual cases. ⁶For those entering from risk areas outside Germany, the provisions under the Post-Entry Quarantine Ordinance continue to apply.

Part 5 Education and culture

§ 15 Examinations

¹Examinations are only permitted if a constant minimum distance of 1.5 m is maintained between all candidates. ²Where it is not possible to maintain the minimum distance due to the nature of the examination, other, equally effective protective measures must be taken. ³Spectators who are not involved in running the examination are not admitted. ⁴ § 5 sub-para. 1 sent. 2 applies accordingly.

§ 16 Schools

(1) Classes and other school events at schools within the meaning of the Bavarian Education and Training Act are permitted if suitable measures are taken to ensure that a minimum distance of 1.5 m is fundamentally maintained between all participants.

(2) ¹The schools must draw up a protection and hygiene concept on the basis of a framework concept provided to them by the State Ministry of Education and the Arts and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request.

²This protection and hygiene concept must contain measures through which the minimum distance is granted and the infection risk is minimised. ³For example, the reduction of the class size or the holding of alternating lessons. ⁴School-specific requirements and the circumstances on site must be taken into account.

(3) § 5 sub-para. 1 sent. 2 applies accordingly.

§ 16a Day care services for children, adolescents and young adults (*not yet in force*)

§ 17 Basic, further and advanced vocational training; adult education

(1) ¹Basic, further and advanced vocational training is only permitted if a minimum distance of 1.5 m is maintained between all participants. ² § 15 sent. 2 applies accordingly.

(2) ¹Offers of adult education within the meaning of Art. 1 para. 1 of the Bavarian Adult Education Promotion Act, of language and integration promotion, of family education centres, of youth work for educational purposes as defined in the Eighth Book of the German Social Code, of extracurricular environmental education and comparable educational offers are, subject to more specific provisions in this Regulation, only permissible if a minimum distance of 1.5 m is maintained between all participants. ² § 15 sent. 2 applies accordingly. ³The operator must draw up a protection and hygiene concept on the basis of a framework concept announced by the State Ministry of Education and the Arts and the State Ministry of Health and Care and submit the concept to the responsible local authority upon request.

(3) ¹Classes at music schools may only be given if a minimum distance of 1.5 m is maintained between all participants, and a minimum distance of 2 m for wind instruments and singing. ²This applies accordingly to music lessons outside of schools.

(4) § 5 sub-para. 1 sent. 2 applies accordingly.

§ 18 Driving schools

¹For theoretical driving school lessons, refresher courses, aptitude seminars and theoretical driving tests, § 15 applies accordingly. ²For practical driving school lessons and for practical driving tests, a mask must be worn.

§ 19 Universities

¹No face-to-face lectures, seminars or events are held at any of the universities in Bavaria for the time being. ²Notwithstanding sentence 1,

1. practical events requiring special laboratory or work-rooms at the universities are permitted

smaller seminars of up to a maximum of 30 participants where such are required in addition to online lessons in an individual case, if a minimum distance of 1.5 m is maintained between the participants.

³§ 4 sub-para. 2 sent. 3 to 5 apply accordingly to practical exercises within the framework of the degree programme for medical and dental professions.

§ 20 Libraries, archives

In public libraries, including lending libraries, university libraries and state archives, no more than one visitor may be admitted per 10 m² of accessible library or archive space.

§ 21 Cultural sites

(1) ¹Museums, exhibitions, memorial places, objects of the Bavarian Administration of State-Owned Palaces, Gardens and Lakes and comparable cultural sites, as well as the outdoor facilities of zoological and botanical gardens, may open under the following conditions:

1. § 13 applies to gastronomic offerings.
2. § 11 sub-para. 2 applies to guided tours; sub-para. 2 applies accordingly to other cultural events.
3. No more than one visitor may be admitted per 10 m² of accessible space.
4. The operator must draw up a protection and hygiene concept and submit it to the responsible local authority upon request.

²§ 5 sub-para. 1 sent. 2 applies accordingly to open-air offerings.

(2) ¹Cultural events in theatres, concert halls, on other stages and outdoors as well as the rehearsals and other preparatory work necessary for them are only permitted under the following conditions:

1. The event organiser must ensure by means of suitable measures that fundamentally a minimum distance of 1.5 m is maintained between all participants, i.e. guests and persons involved in the event where such do not belong to the group of persons specified in § 2 sub-para. 1; when using wind instruments and singing, a minimum distance of 2 m must be maintained.
2. In compliance with the requirements of no. 1, the maximum number of visitors is 50 indoors and 100 outdoors; for events with assigned and designated seating, the maximum number of visitors is 100 indoors and 200 outdoors.
3. Visitors must wear masks in enclosed rooms.
4. In enclosed rooms where visitors are also present or the minimum distance cannot be observed, it is necessary to wear masks; this does not apply if it leads to an impairment of the artistic performance or if the participant has taken up a fixed position and observes the minimum distance.
5. The event organiser must draw up a protection and hygiene concept and, upon request, submit it to the competent local authority; if there is a framework concept announced by the State Ministry of Education and the Arts and the State Ministry of Health and Care, it must serve as the basis for the event organiser's concept.
6. § 13 applies to gastronomic offerings.

²§ 5 sub-para. 1 sent. 2 applies accordingly to open-air events.

(3) Sub-para. 2 applies *mutatis mutandis* to cinemas under the condition that the protection and hygiene concept is based on the framework concept published by the State Ministry of Health and Care and the State Ministry of Digital Matters.

Part 6 Final provisions

§ 22 Offences

An offence within the meaning of § 73 sub-para. 1a no. 24 IfSG is committed by anyone who, intentionally or negligently,

1. stays in a public area together with other persons in breach of § 2 sub-para. 1,
2. parties or barbecues in public spaces or parks in breach of § 2 sub-para. 2,
3. visits one of the above-mentioned facilities or, as operator of a facility, is unable to present a protection and hygiene concept, in breach of § 4,
4. fails to comply with the obligation to wear a mask as a visitor, customer, accompanying person or guest in breach of §§ 4, 8, 9, 11, 18 and 21 or in breach of §§ 12 to 14,
5. holds an event or a gathering in breach of § 5 sub-para. 1 sent. 1, cannot as event organiser present a protection and hygiene concept in breach of § 5 sub-para. 2 sent. 1 or takes part in an event or an assembly in breach of § 5 sub-para. 1 sent. 1 or § 7 sent. 1,
6. carries out bus trips for tourists and violates the requirements there in breach of § 8 sent. 3,
7. operates or uses sports halls, sports fields, fitness studios and other sports facilities, dance schools in breach of § 9,
8. operates a leisure facility or conducts guided tours for tourists in breach of § 11,
9. as the operator of a shop, a market stall or a shopping centre or as a party responsible for a service company or a practice, fails to comply with the obligations specified therein or ensure that the staff comply with the obligation to wear a mask in breach of § 12,
10. opens a gastronomic business without complying with the obligations specified therein or does not ensure that the staff comply with the mask requirement in breach of § 13,
11. provides accommodation without complying with the obligations specified therein or does not ensure that the staff comply with the mask requirement in breach of § 14,
12. conducts examinations in breach of § 15,
13. carries out education or training offers or gives music lessons in breach of § 17,
14. conducts driving school lessons in breach of § 18,
15. operates cultural sites or cinemas or carries out cultural events in breach of § 21.

§ 23 Local measures and additional instructions

¹Additional instructions from the local health authorities responsible for the enactment of the Protection Against Infection Law remain unaffected. ²The responsible local authorities may, even to the extent that this Ordinance prescribes protective measures or protection and hygiene concepts, issue additional instructions in specific cases where this is necessary from an infection control perspective.

§ 24 Effective date, expiry date

This Ordinance takes effect on 22 June 2020 and expires on 5 July 2020 at midnight.

Munich, 19 June 2020

Bavarian State Ministry of Health and Care

Melanie Huml, State Minister
